Image Alignment

In-line images can be individually aligned (vertically). Most of the values for "vertical-align" are supported: top, bottom, middle, baseline, text-top, and text-bottom. The default value for vertical alignment is baseline, and the default padding 0, consistent with most browsers.

These images are **top** aligned

These images are **text-top** aligned

These images are **bottom** aligned

These images are **text-bottom** aligned

These images are **baseline** aligned

These images are **middle** aligned

Mixed alignment

baseline: text-bottom: middle: bottom: text-top: top:

Image Border and padding

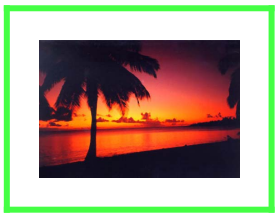

Image padding is supported as well as border and margin.
